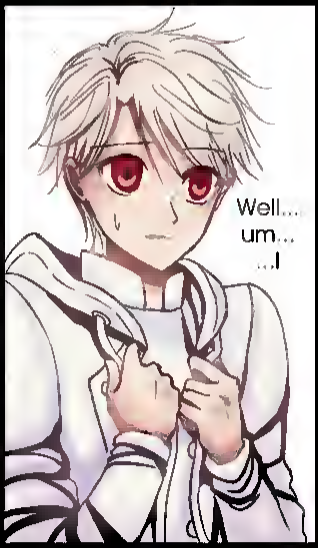
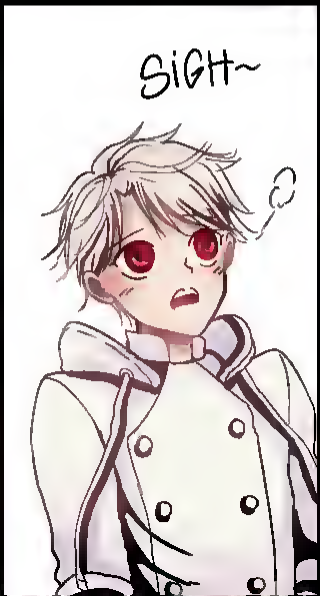
How would you prefer to be rejected?

"Hi, I like you."





Kidus Elai
Character barrawed fram Nightmare Factary

#3. Gently let you down in the strangest ways. Hurts a bit but you figure the person is probably only into Martians anyways.

How would you prefer to be rejected?

A. Courteous and politely.
All hope is lost, yet the person is so damn nice they haunt your brain for as long as you live.

B. Rude as fu.
Your ego takes some blows but relieved to avert from dating a scoundrel.

C. Weird as fu.
Good story to tell the others.
You figure you're not alien enough to be their type and move on with life.

How do you normally turn someone down?

Rejection Kit

he like me back? What's wrong with me?
You'll be obsessed, tormented by the thoughts of this person for years to come.
Or
I'll say yes, lead you on, discard you once my fun is had.
Phirre Lotus
Nightmare Factory character
Do you consent, love?

...on a random note

#2. Brutally rude rejection, insults your ego so much that

Or

Don't make me do this to you guilty face.
Ahhh, Apologies for putting you in o difficult situation!!!
I'll reject myself and only stalk you from afar. Pleose don't look so distraught

#1. The person be so kind and courteous, they reserve your dignity as a human being, however...

I'd ask Kidus to model in the shirt but he was a bit um...preoccupied with something. So yeah.
